

Pesticides & Insecticides Used

Contrac All-weather Blox Rodenticide is a multi-edged, single feeding Rat and Mouse bait. It is formulated with an optimal blend of food grade ingredients and low wax to yield a highly palatable, weatherable bait that is very attractive to rodents.

New Maxforce® FC Magnum is the most powerful cockroach bait gel ever.

Whether cockroaches eat it, touch it or share it, Maxforce FC Magnum kills more roaches faster than any other single product. There's no advance preparation required and no odor.

Tempo® SC Ultra delivers the power of a powder formulation in a liquid, and allows for a more even disbursement during application. Tempo SC Ultra effectively controls a broad spectrum of indoor, outdoor, and turf and ornamental pests.

Termidor SC is an excellent professional termite control product for killing termites and protecting your home from future infestations. Termidor will protect your home and eliminate almost any termite problem in less than 90 days.

CrossCheck Plus (with active ingredient bifenthrin) offers the latest and best in pyrethroid insecticide chemistry, with quick knockdown and long-lasting insect control. Crosscheck eliminates over 75 insect pests of ornamentals and lawns as well as flying and wood-infesting insects.
